- I tend to see the best in people.
- I tend to trust that others will deal fairly with me.
- I think people are mostly good.
- I'm quick to forgive people who have hurt me.
- I tend to admire others.
- I tend to applaud the successes of other people.
- I tend to treat other people as valuable.
- I enjoy listening to people from all walks of life.
- I prefer honesty over charm.
- I don't feel comfortable overtly manipulating people to do what I want.
- I would like to be authentic even if it may damage my reputation.
- When I talk to people, I am rarely thinking about what I want from them.
